

BUILDING TEAMS

A 90-minute learning nugget for up to 15 participants

Can be delivered virtually on Zoom or your own company platform

This informative and engaging learning nugget introduces participants to the role of the manager in building and motivating teams, ready to get going as soon as they leave the session.

WELCOME AND INTRODUCTIONS

Benefits of team bonding and collaboration.
Outcomes and agenda

WHAT IS A TEAM?

Introduction to the different types of team, what type of team is yours? A useful exercise explores how the participants can define their teams

HOW TEAMS DEVELOP

Introduction or refresher of the development of teams, the stages every team goes through and how to help teams overcome storms along the way

CREATING A TEAM CHARTER

The principles of a team charter are shared and explored, the benefits of being clear on team rules and how this can help teams develop more quickly, how to create a team charter and the value of engaging your team in this process

TEAM BUILDING AND TEAM BONDING

A series of small and larger team building activities are introduced, some are tried out in session, how to develop relevant and effective team bonding and development days

ACTION PLANS AND INTEGRATION

The session is summarised and actions are planned and shared across the group
