

LEADERSHIP & MANAGEMENT

A 2-hour practical learning nugget for up to 15 participants

Can be delivered virtually on Zoom or your own company platform

This practical and fast paced learning nugget introduces participants to the difference between leadership and management as well as different leadership styles. Through discussion, group work and practise, participants explore what kind of manager they wish to be, the impact of their behaviour on those around them and their role as a manager in the organisation.

WELCOME AND INTRODUCTIONS

Includes benefits of good leadership/management. Outcomes and agenda

LEADERSHIP V MANAGEMENT

The difference between leading and managing. Group activity.

LEADERSHIP STYLES

Participants explore the best and worst leaders / managers they have experienced – what made them good/bad? How will participants consciously act as a result?

MANAGEMENT MYTHS

In this session we break down some of the most common myths surrounding management, exploring the reality that leadership can be learnt, you can still be you as a manager and you do not have to know everything!

ACTION PLANS AND INTEGRATION

The session is summarised and actions are planned and shared across the group
